

Where dreams become reality

COLLECTIONS 2018

Our company was founded in 2009 year ,located at which famous as "International Furniture City". Our factory covers area of 8,500 square meters .

We are a professional manufacturer specialized in producing outdoor furniture , such as PE rattan furniture , textilene furniture, teak wood furniture and poly wood Furniture with powder coating aluminum frame and iron frame or stainless steel frame ; with different styles, colors and dimensions . We also welcome OEM and ODM orders. Whether selecting a current product from our catalogue or seeking engineering assistance for your application, you can talk to our sales about your sourcing requirements.

Our materials of the furniture are conforming to SGS quality test , UV resistant and waterproof. The products have to be inspected strictly by the Quality Control team, from raw materials to finished goods delivery, the whole process of production activities are strictly controlled . The furniture are mainly exported to USA, Canada, Asia, Europe, Australia ,Africa and Middle East ,South America etc .

We always strive for offering our customers and partners the high quality products with competitive price and best service . This is the key to our success. If you are looking for long term partner from China, please visit our company.
